THINGS TO BRING WITH YOU!

1. Swim suit, sun block, towel, flip-flops, hat, etc.
2. Picnic lunch in a small cooler or money to purchase food items **[NO GLASS ITEMS]**
3. Plastic bag for wet items [suit, towel, etc]
4. **Clean and dry clothes for the ride home**

THINGS TO LEAVE AT HOME!

1. Electronic devices....buses and teachers are not from "BRINKS SECURITY". If you choose to bring these items and something is stolen or gets broken you assume all responsibility for your individual choice and actions.
2. Anything that is unacceptable on campus during the school day is also unacceptable on a school trip. If you need personal guidance on what this might be ask a director. If you think it may be inappropriate perhaps "you should not do it" or "leave it at home".

BAD WEATHER? Schlitterbahn will be open unless there is lightning, tornado, hurricane, tsunami ... you get the idea.

* If the weather looks bad the morning of the trip you may check the band website to see if the trip has been cancelled....the weather will have to be really bad for us to cancel! <http://cevmsband.org>

* In the event that bad weather causes Schlitterbahn to close parents/guardians may check the band website for information on our arrival back at campus.

You must have a permission slip on file to participate in this trip. If you have paid for this trip and indicated to a director that you were going but are unable to attend you will be given the ticket that we ordered on your behalf.

If you do bring a picnic lunch, please **do not bring glass containers**. All ice chests and picnic supplies are checked upon entry. Chaperones will "capture" an umbrella area when we arrive and you will be able to put your cooler and towels on a table to make it "home base" for the day. It is highly recommended that you put any valuables in a locker. However, there are no lockers large enough for ice chests.

There will be no access to the busses while we are at the park! Please make sure that you bring everything with you into the park that you will need. If you leave anything on the bus, you will have access to it when we leave the park.

**** Rental Lockers are available.**
