CeVMS Band  
Parent Support Group

The Cedar Valley Band program is one of the most active in RRISD. Because of this we'll commonly be emailing parents for help running events or seeking chaperones for events. In an effort to streamline our communication, we have a Parent Support Group that will only receive emails when we are in need of parent assistance. Please check the box below if you are interested in being part of the Parent Support Group.

Yes! I would like to be included in the Parent Support Group so that I can be included on emails where the band needs assistance.
